IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 15, 2022

Ms. WATERS introduced the following bill; which was referred to the
Committee on Financial Services

A BILL

To amend the Community Reinvestment Act of 1977 to improve the assessment process for financial institutions under that Act, and for other purposes.

7 The Congress finds that Senator William Proxmire,
8 who authored the Community Reinvestment Act of 1977

1 lining . . . I am talking about the fact that banks and
2 savings and loans will take their deposits from a commu-
3 nity and instead of reinvesting them in that community,
4 they will actually or figuratively draw a red line on a map
5 around the areas of their city, sometimes in the inner city,
6 sometimes in the older neighborhoods, sometimes ethnic
7 and sometimes black, but often encompassing a great area
8 of their neighborhood.”.
