Page 10, line 10, strike "its misguided policy";

Page 10, line 11, after "Act" insert the following:

"because the Consumer Bureau lacks the statutory authority to do so, as repeatedly stated by the Director in testimony before the Committee. The Committee should, therefore, provide the Bureau with its requested authority by passing H.R. 2904, the "Financial Protection for our Military Families Act," to give servicemembers the reliable financial services they deserve.
