submitted the following

R E P O R T

together with

MINORITY VIEWS

[To accompany H.R. 4638]

[Including cost estimate of the Congressional Budget Office]

The Committee on Financial Services, to whom was referred the bill (H.R. 4638) to amend the Securities Exchange Act of 1934 to allow for the creation of venture exchanges to promote liquidity of venture securities, and for other purposes, having considered the same, report favorably thereon with an amendment and recommend that the bill as amended do pass.

The amendment is as follows:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the “Main Street Growth Act”.

SEC. 2. VENTURE EXCHANGES.

(a) SECURITIES EXCHANGE ACT OF 1934.—Section 6 of the Securities Exchange Act of 1934 (15 U.S.C. 78f) is amended by adding at the end the following:

“(m) VENTURE EXCHANGE.—

“(1) REGISTRATION.—

“(A) IN GENERAL.—A national securities exchange may elect to be treated (or for a listing tier of such exchange to be treated) as a venture exchange by notifying the Commission of such election, either at the time the exchange applies to be registered as a national securities exchange or after registering as a national securities exchange.

“(B) DETERMINATION TIME PERIOD.—With respect to a securities exchange electing to be treated (or for a listing tier of such exchange to be treated) as a venture exchange—

“(i) at the time the exchange applies to be registered as a national securities exchange, such application and election shall be deemed to

have been approved by the Commission unless the Commission denies such application before the end of the 6-month period beginning on the date the Commission received such application; and

“(ii) after registering as a national securities exchange, such election shall be deemed to have been approved by the Commission unless the Commission denies such approval before the end of the 6-month period beginning on the date the Commission received notification of such election.

“(2) POWERS AND RESTRICTIONS.—A venture exchange—

“(A) may only constitute, maintain, or provide a market place or facilities for bringing together purchasers and sellers of venture securities;

“(B) may determine the increment to be used for quoting and trading venture securities on the exchange;

“(C) shall disseminate last sale and quotation information on terms that are fair and reasonable and not unreasonably discriminatory;

“(D) may choose to carry out periodic auctions for the sale of a venture security instead of providing continuous trading of the venture security; and

“(E) may not extend unlisted trading privileges to any venture security.

“(3) EXEMPTIONS FROM CERTAIN NATIONAL SECURITY EXCHANGE REGULATIONS.—A venture exchange shall not be required to—

“(A) comply with any of sections 242.600 through 242.612 of title 17, Code of Federal Regulations;

“(B) comply with any of sections 242.300 through 242.303 of title 17, Code of Federal Regulations;

“(C) submit any data to a securities information processor; or

“(D) use decimal pricing.

“(4) TREATMENT OF CERTAIN EXEMPTED SECURITIES.—A security that is exempt from registration pursuant to section 3(b) of the Securities Act of 1933 shall be exempt from section 12(a) of this title with respect to the trading of such security on a venture exchange, if the issuer of such security is in compliance with all disclosure obligations of such section 3(b) and the regulations issued under such section.

“(5) DEFINITIONS.—For purposes of this subsection:

“(A) EARLY-STAGE, GROWTH COMPANY.—

“(i) IN GENERAL.—The term ‘early-stage, growth company’ means an issuer—

“(I) that has not made an initial public offering of any securities of the issuer; and

“(II) with a market capitalization of \$1,000,000,000 (as such amount is indexed for inflation every 5 years by the Commission to reflect the change in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics, setting the threshold to the nearest \$1,000,000) or less.

“(ii) TREATMENT WHEN MARKET CAPITALIZATION EXCEEDS THRESHOLD.—

“(I) IN GENERAL.—In the case of an issuer that is an early-stage, growth company the securities of which are traded on a venture exchange, such issuer shall not cease to be an early-stage, growth company by reason of the market capitalization of such issuer exceeding the threshold specified in clause (i)(II) until the end of the period of 24 consecutive months during which the market capitalization of such issuer exceeds \$2,000,000,000 (as such amount is indexed for inflation every 5 years by the Commission to reflect the change in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics, setting the threshold to the nearest \$1,000,000).

“(II) EXEMPTIONS.—If an issuer would cease to be an early-stage, growth company under subclause (I), the venture exchange may, at the request of the issuer, exempt the issuer from the market capitalization requirements of this subparagraph for the 1-year period that begins on the day after the end of the 24-month period described in such subclause. The venture exchange may, at the request of the issuer, extend the exemption for 1 additional year.

“(B) VENTURE SECURITY.—The term ‘venture security’ means—

“(i) securities of an early-stage, growth company that are exempt from registration pursuant to section 3(b) of the Securities Act of 1933; and

“(ii) securities of an emerging growth company.”

(b) SECURITIES ACT OF 1933.—Section 18(b)(1) of the Securities Act of 1933 (15 U.S.C. 77r(b)(1)) is amended—

- (1) in subparagraph (B), by striking “or” at the end;
- (2) in subparagraph (C), by striking the period and inserting “; or”; and
- (3) by adding at the end the following:
“(D) a venture security, as defined under section 6(m)(5) of the Securities Exchange Act of 1934.”.

(c) SENSE OF CONGRESS.—It is the sense of the Congress that the Securities and Exchange Commission should—

- (1) when necessary or appropriate in the public interest and consistent with the protection of investors, make use of the Commission’s general exemptive authority under section 36 of the Securities Exchange Act of 1934 (15 U.S.C. 78mm) with respect to the provisions added by this section; and
- (2) if the Commission determines appropriate, create an Office of Venture Exchanges within the Commission’s Division of Trading and Markets.

(d) RULE OF CONSTRUCTION.—Nothing in this section or the amendments made by this section shall be construed to impair or limit the construction of the antifraud provisions of the securities laws (as defined in section 3(a) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a))) or the authority of the Securities and Exchange Commission under those provisions.

(e) EFFECTIVE DATE FOR TIERS OF EXISTING NATIONAL SECURITIES EXCHANGES.—In the case of a securities exchange that is registered as a national securities exchange under section 6 of the Securities Exchange Act of 1934 (15 U.S.C. 78f) on the date of the enactment of this Act, any election for a listing tier of such exchange to be treated as a venture exchange under subsection (m) of such section shall not take effect before the date that is 180 days after such date of enactment.

PURPOSE AND SUMMARY

Introduced by Representative Scott Garrett on February 26, 2016, H.R. 4638, the Main Street Growth Act, allows for the creation and registration of venture exchanges with the U.S. Securities and Exchange Commission (SEC). Venture exchanges are a logical extension of the Jumpstart Our Business Startups (JOBS) Act for companies that are seeking a dedicated, liquid and vibrant secondary market for the trading of their securities. Companies that take advantage of the Emerging Growth Company designation under Title I and Regulation A+ offerings under Title IV of the JOBS Act could choose to list their securities on a venture exchange. H.R. 4638 defines a venture security, establishes the types of securities eligible for a venture exchange listing, and provides the rules and regulations with which venture exchanges must comply.

BACKGROUND AND NEED FOR LEGISLATION

The U.S. capital markets have been, and continue to be, a vibrant ecosystem, fueling America’s economic growth and generating millions of private sector jobs. These markets provide financing and needed resources to a wide array of businesses, from the smallest start-ups to the largest international companies. However, a company’s size has often impacted how easily it can access capital, as larger companies have generally found the capital markets easier to access than smaller ones. While the number of initial public offerings (IPOs) in the U.S. has risen since 2012 as a result of Title I of the JOBS Act, the total number of IPOs has dropped significantly since 1999, particularly the number of smaller IPOs, or those with a deal size less than \$50 million. At a May 13, 2015, Subcommittee on Capital Markets and Government Sponsored Enterprises hearing to consider the discussion draft of the Main Street Growth Act, David Weild of Weild & Co. testified that “The

“Main Street Growth Act . . . has the potential to go down as one of the most important Acts to come out of this, or any, Congress by creating essential infrastructure in support of U.S. economic growth.”

There are differing perspectives as to why fewer companies, particularly small companies, have gone public over the past few decades. A recent whitepaper by SEC staff discussed trading in the shares of small public companies. The whitepaper found that during 2013, U.S.-listed, U.S.-domiciled small cap stocks with market capitalizations below \$1 billion were much less liquid than stocks with capitalizations between \$1 billion and \$5 billion. Small cap stocks had larger quoted and effective spreads and traded much lower volumes than mid cap stocks. Liquidity improved with market capitalization: the smallest stocks with capitalizations below \$100 million exhibited the least liquidity and mid cap stocks with capitalizations between \$2 billion and \$5 billion exhibited the greatest liquidity.

These data suggest that in fulfilling its capital formation mandate, the SEC needs to tailor its approach to account for the varying nature and size of companies. Venture exchanges offer one possible solution to the liquidity and capital access challenges faced by smaller issuers, as venture exchanges would aggregate all trading activity on the specific exchange selected by the issuer. At the May 13th hearing, David Burton from the Heritage Foundation noted, “A robust and liquid secondary market for the securities of entrepreneurial firms helps investors, helps companies and helps promote general prosperity. Investors usually do not want to hold their investment indefinitely.”

In a recent speech, SEC Chair Mary Jo White noted that “SEC staff in the Divisions of Corporation Finance and Trading and Markets have been looking at various means to facilitate the secondary market trading of securities issued by small businesses. Among a number of other possible avenues, the staff is considering whether the development of appropriately structured venture exchanges could provide more liquidity for the securities of smaller companies.” However, SEC staff informed the Financial Services Committee in 2014 that the Securities Exchange Act of 1934 does not provide the SEC with the complete legal authority to register venture exchanges and exempt these entities from certain regulatory requirements.

The U.S. recently fell from first place to 12th in small IPO output behind many smaller economies, and fell to 24th out of 26 developed countries in small IPO output on a gross domestic product-weighted basis ahead of only Mexico and Brazil. Venture exchanges could help remedy this negative trend and could expand access to capital to entrepreneurs, enable earlier public participation in the company’s life-cycle, and attract post-issuance support to include research, sales and capital commitments by market makers.

COMMITTEE OVERSIGHT FINDINGS

Pursuant to clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the findings and recommendations of the committee based on oversight activities under clause 2(b)(1) of rule X of the Rules of the House of Representatives, are incorporated in the descriptive portions of this report.

PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee states that H.R. 4638 will increase capital for small companies by creating venture exchanges that expand access to capital for entrepreneurs, enable earlier public participation in the company's life-cycle, and attract post-issuance support to include research, sales and capital commitments by market-makers.

NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee adopts as its own the estimate of new budget authority, entitlement authority, or tax expenditures or revenues contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974.

COMMITTEE COST ESTIMATE

The Committee adopts as its own the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974.

CONGRESSIONAL BUDGET OFFICE ESTIMATES

Pursuant to clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, the following is the cost estimate provided by the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, May 5, 2016.

Hon. JEB HENSARLING,
*Chairman, Committee on Financial Services,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 4638, the Main Street Growth Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Stephen Rabent.

Sincerely,

KEITH HALL.

Enclosure.

H.R. 4638—Main Street Growth Act

Under current law, the Securities and Exchange Commission (SEC) registers and approves marketplaces for trading securities (known as national securities exchanges) and regulates aspects of their operation. H.R. 4638 would allow current national securities exchanges to elect to operate as newly defined venture exchanges for trading stocks of certain small companies. New exchanges could elect to operate as venture exchanges at the time they register with the SEC. Venture exchanges would be exempt from some regulations that national security exchanges must comply with. Finally, H.R. 4638 would allow SEC to create an Office of Venture Exchanges.

The cost to implement the legislation would depend on the number of venture exchanges that apply for registration. On the basis of information provided by the SEC, CBO estimates that the SEC would need two or three full-time staff members to register venture exchanges and monitor their activity at a cost of about \$1 million a year. However, the SEC is authorized to collect fees sufficient to offset its annual appropriation; therefore, CBO estimates that the net effect on discretionary spending would be negligible, assuming appropriations actions consistent with that authority.

Because enacting H.R. 4638 would not affect direct spending or revenues, pay-as-you-go procedures do not apply. CBO estimates that enacting H.R. 4638 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

H.R. 4638 contains no intergovernmental mandates as defined in the Unfunded Mandates Reform Act (UMRA) and would not affect the budgets of state, local, or tribal governments.

If the SEC increases fees to offset the costs of implementing the bill, H.R. 4638 would increase the cost of an existing mandate on private entities required to pay those fees. Based on information from the SEC, CBO estimates that the aggregate cost of the mandate, if imposed, would be small and would fall well below the annual threshold for private-sector mandates established in UMRA (\$154 million in 2016, adjusted annually for inflation).

The CBO staff contacts for this estimate are Stephen Rabent (for federal costs) and Logan Smith (for private-sector mandates). The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or

accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

EARMARK IDENTIFICATION

H.R. 4638 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI.

DUPLICATION OF FEDERAL PROGRAMS

Pursuant to section 3(g) of H. Res. 5, 114th Cong. (2015), the Committee states that no provision of H.R. 4638 establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111-139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

DISCLOSURE OF DIRECTED RULEMAKING

Pursuant to section 3(i) of H. Res. 5, 114th Cong. (2015), the Committee states that H.R. 4638 contains no directed rulemaking.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION

Section 1: Short title

This section cites H.R. 3638 as the “Main Street Growth Act”.

Section 2: Venture exchanges

This section amends Section 6 of the Securities Exchange Act of 1934 to require the SEC to approve or deny the application of a venture exchange within six months or the application would be deemed approved. Additionally, to ensure the aggregation of liquidity for companies listed on a venture exchange, the bill would exempt venture exchanges from SEC regulations “National Market System” (NMS) and “Alternative Trading System” (ATS). Venture exchanges will also be exempt from decimalization, and the bill would prohibit a venture exchange from extending unlisted trading privileges to any venture security.

Furthermore, this section defines the securities eligible to trade on venture exchanges as “venture securities.” To qualify as a “venture security,” a security must either be an exempted transaction under Regulation A or A+ from an “early-stage, growth company” or a security offered by an Emerging Growth Company as defined by the JOBS Act. Venture securities will be covered securities for purposes of the National Securities Market Improvement Act and thereby exempt from state securities registration requirements.

The bill also expresses the sense of Congress that the SEC should use its general exemptive authority to respond to unforeseen circumstances and that the SEC should create an Office of Venture Exchanges, if appropriate. H.R. 4638 also includes a rule of construction providing that the Act does not impair or limit the application of the antifraud provisions of the Federal securities laws or the SEC’s authority under such antifraud provisions.

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, are shown as follows (existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, and existing law in which no change is proposed is shown in roman):

SECURITIES EXCHANGE ACT OF 1934**TITLE I—REGULATION OF SECURITIES EXCHANGES**

* * * * *

NATIONAL SECURITIES EXCHANGES

SEC. 6. (a) An exchange may be registered as a national securities exchange under the terms and conditions hereinafter provided in this section and in accordance with the provisions of section 19(a) of this title, by filing with the Commission an application for registration in such form as the Commission, by rule, may prescribe containing the rules of the exchange and such other information and documents as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(b) An exchange shall not be registered as a national securities exchange unless the Commission determines that—

(1) Such exchange is so organized and has the capacity to be able to carry out the purposes of this title and to comply, and (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) to enforce compliance by its members and persons associated with its members, with the provisions of this title, the rules and regulations thereunder, and the rules of the exchange.

(2) Subject to the provisions of subsection (c) of this section, the rules of the exchange provide that any registered broker or dealer or natural person associated with a registered broker or dealer may become a member of such exchange and any person may become associated with a member thereof.

(3) The rules of the exchange assure a fair representation of its members in the selection of its directors and administration of its affairs and provide that one or more directors shall be representative of issuers and investors and not be associated with a member of the exchange, broker, or dealer.

(4) The rules of the exchange provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities.

(5) The rules of the exchange are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and are not designed to permit unfair discrimination be-

tween customers, issuers, brokers, or dealers, or to regulate by virtue of any authority conferred by this title matters not related to the purposes of this title or the administration of the exchange.

(6) The rules of the exchange provide that (subject to any rule or order of the Commission pursuant to section 17(d) or 19(g)(2) of this title) its members and persons associated with its members shall be appropriately disciplined for violation of the provisions of this title, the rules or regulations thereunder, or the rules of the exchange, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a member, or any other fitting sanction.

(7) The rules of the exchange are in accordance with the provisions of subsection (d) of this section, and in general, provide a fair procedure for the disciplining of members and persons associated with members, the denial of membership to any person seeking membership therein, the barring of any person from becoming associated with a member thereof, and the prohibition or limitation by the exchange of any person with respect to access to services offered by the exchange or a member thereof.

(8) The rules of the exchange do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(9)(A) The rules of the exchange prohibit the listing of any security issued in a limited partnership rollup transaction (as such term is defined in paragraphs (4) and (5) of section 14(h)), unless such transaction was conducted in accordance with procedures designed to protect the rights of limited partners, including—

(i) the right of dissenting limited partners to one of the following:

- (I) an appraisal and compensation;
- (II) retention of a security under substantially the same terms and conditions as the original issue;
- (III) approval of the limited partnership rollup transaction by not less than 75 percent of the outstanding securities of each of the participating limited partnerships;
- (IV) the use of a committee of limited partners that is independent, as determined in accordance with rules prescribed by the exchange, of the general partner or sponsor, that has been approved by a majority of the outstanding units of each of the participating limited partnerships, and that has such authority as is necessary to protect the interest of limited partners, including the authority to hire independent advisors, to negotiate with the general partner or sponsor on behalf of the limited partners, and to make a recommendation to the limited partners with respect to the proposed transaction; or
- (V) other comparable rights that are prescribed by rule by the exchange and that are designed to protect dissenting limited partners;

(ii) the right not to have their voting power unfairly reduced or abridged;

(iii) the right not to bear an unfair portion of the costs of a proposed limited partnership rollup transaction that is rejected; and

(iv) restrictions on the conversion of contingent interests or fees into non-contingent interests or fees and restrictions on the receipt of a non-contingent equity interest in exchange for fees for services which have not yet been provided.

(B) As used in this paragraph, the term “dissenting limited partner” means a person who, on the date on which soliciting material is mailed to investors, is a holder of a beneficial interest in a limited partnership that is the subject of a limited partnership rollup transaction, and who casts a vote against the transaction and complies with procedures established by the exchange, except that for purposes of an exchange or tender offer, such person shall file an objection in writing under the rules of the exchange during the period during which the offer is outstanding.

(10)(A) The rules of the exchange prohibit any member that is not the beneficial owner of a security registered under section 12 from granting a proxy to vote the security in connection with a shareholder vote described in subparagraph (B), unless the beneficial owner of the security has instructed the member to vote the proxy in accordance with the voting instructions of the beneficial owner.

(B) A shareholder vote described in this subparagraph is a shareholder vote with respect to the election of a member of the board of directors of an issuer, executive compensation, or any other significant matter, as determined by the Commission, by rule, and does not include a vote with respect to the uncontested election of a member of the board of directors of any investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80b-1 et seq.).

(C) Nothing in this paragraph shall be construed to prohibit a national securities exchange from prohibiting a member that is not the beneficial owner of a security registered under section 12 from granting a proxy to vote the security in connection with a shareholder vote not described in subparagraph (A).

(c)(1) A national securities exchange shall deny membership to (A) any person, other than a natural person, which is not a registered broker or dealer or (B) any natural person who is not, or is not associated with, a registered broker or dealer.

(2) A national securities exchange may, and in cases in which the Commission, by order, directs as necessary or appropriate in the public interest or for the protection of investors shall, deny membership to any registered broker or dealer or natural person associated with a registered broker or dealer, and bar from becoming associated with a member any person, who is subject to a statutory disqualification. A national securities exchange shall file notice with the Commission not less than thirty days prior to admitting any person to membership or permitting any person to become associated with a member, if the exchange knew, or in the exercise of reasonable care should have known, that such person was sub-

ject to a statutory disqualification. The notice shall be in such form and contain such information as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(3)(A) A national securities exchange may deny membership to, or condition the membership of, a registered broker or dealer if (i) such broker or dealer does not meet such standards of financial responsibility or operational capability or such broker or dealer or any natural person associated with such broker or dealer does not meet such standards of training, experience, and competence as are prescribed by the rules of the exchange or (ii) such broker or dealer or person associated with such broker or dealer has engaged and there is a reasonable likelihood he may again engage in acts or practices inconsistent with just and equitable principles of trade. A national securities exchange may examine and verify the qualifications of an applicant to become a member and the natural persons associated with such an applicant in accordance with procedures established by the rules of the exchange.

(B) A national securities exchange may bar a natural person from becoming a member or associated with a member, or condition the membership of a natural person or association of a natural person with a member, if such natural person (i) does not meet such standards of training, experience, and competence as are prescribed by the rules of the exchange or (ii) has engaged and there is a reasonable likelihood he may again engage in acts or practices inconsistent with just and equitable principles of trade. A national securities exchange may examine and verify the qualifications of an applicant to become a person associated with a member in accordance with procedures established by the rules of the exchange and require any person associated with a member, or any class of such persons, to be registered with the exchange in accordance with procedures so established.

(C) A national securities exchange may bar any person from becoming associated with a member if such person does not agree (i) to supply the exchange with such information with respect to its relationship and dealings with the member as may be specified in the rules of the exchange and (ii) to permit the examination of its books and records to verify the accuracy of any information so supplied.

(4) A national securities exchange may limit (A) the number of members of the exchange and (B) the number of members and designated representatives of members permitted to effect transactions on the floor of the exchange without the services of another person acting as broker: *Provided, however,* That no national securities exchange shall have the authority to decrease the number of memberships in such exchange, or the number of members and designated representatives of members permitted to effect transactions on the floor of such exchange without the services of another person acting as broker, below such number in effect on May 1, 1975, or the date such exchange was registered with the Commission, whichever is later: *And provided further,* That the Commission, in accordance with the provisions of section 19(c) of this title, may amend the rules of any national securities exchange to increase (but not to decrease) or to remove any limitation on the number of memberships in such exchange or the number of members or designated rep-

representatives of members permitted to effect transactions on the floor of the exchange without the services of another person acting as broker, if the Commission finds that such limitation imposes a burden on competition not necessary or appropriate in furtherance of the purposes of this title.

(d)(1) In any proceeding by a national securities exchange to determine whether a member or person associated with a member should be disciplined (other than a summary proceeding pursuant to paragraph (3) of this subsection), the exchange shall bring specific charges, notify such member or person of, and give him an opportunity to defend against, such charges, and keep a record. A determination by the exchange to impose a disciplinary sanction shall be supported by a statement setting forth—

(A) any act or practice in which such member or person associated with a member has been found to have engaged, or which such member or person has been found to have omitted;

(B) the specific provision of this title, the rules or regulations thereunder, or the rules of the exchange which any such act or practice, or omission to act, is deemed to violate; and

(C) the sanction imposed and the reasons therefor.

(2) In any proceeding by a national securities exchange to determine whether a person shall be denied membership, barred from becoming associated with a member, or prohibited or limited with respect to access to services offered by the exchange or a member thereof (other than a summary proceeding pursuant to paragraph (3) of this subsection), the exchange shall notify such person of, and give him an opportunity to be heard upon, the specific grounds for denial, bar, or prohibition or limitation under consideration and keep a record. A determination by the exchange to deny membership, bar a person from becoming associated with a member, or prohibit or limit a person with respect to access to services offered by the exchange or a member thereof shall be supported by a statement setting forth the specific grounds on which the denial, bar, or prohibition or limitation is based.

(3) A national securities exchange may summarily (A) suspend a member or person associated with a member who has been and is expelled or suspended from any self-regulatory organization or barred or suspended from being associated with a member of any self-regulatory organization, (B) suspend a member who is in such financial or operating difficulty that the exchange determines and so notifies the Commission that the member cannot be permitted to continue to do business as a member with safety to investors, creditors, other members, or the exchange, or (C) limit or prohibit any person with respect to access to services offered by the exchange if subparagraph (A) or (B) of this paragraph is applicable to such person or, in the case of a person who is not a member, if the exchange determines that such person does not meet the qualification requirements or other prerequisites for such access and such person cannot be permitted to continue to have such access with safety to investors, creditors, members, or the exchange. Any person aggrieved by any such summary action shall be promptly afforded an opportunity for a hearing by the exchange in accordance with the provisions of paragraph (1) or (2) of this subsection. The Commission, by order, may stay any such summary action on its own motion or upon application by any person ag-

grieved thereby, if the Commission determines summarily or after notice and opportunity for hearing (which hearing may consist solely of the submission of affidavits or presentation of oral arguments) that such stay is consistent with the public interest and the protection of investors.

(e)(1) On and after the date of enactment of the Securities Acts Amendments of 1975, no national securities exchange may impose any schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members: *Provided, however*, That until May 1, 1976, the preceding provisions of this paragraph shall not prohibit any such exchange from imposing or fixing any schedule of commissions, allowances, discounts, or other fees to be charged by its members for acting as broker on the floor of the exchange or as odd-lot dealer: *And provided further*, That the Commission, in accordance with the provisions of section 19(b) of this title as modified by the provisions of paragraph (3) of this subsection, may—

(A) permit a national securities exchange, by rule, to impose a reasonable schedule or fix reasonable rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange prior to November 1, 1976, if the Commission finds that such schedule or fixed rates of commissions, allowances, discounts, or other fees are in the public interest; and

(B) permit a national securities exchange, by rule, to impose a schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange after November 1, 1976, if the Commission finds that such schedule or fixed rates of commissions, allowances, discounts, or other fees (i) are reasonable in relation to the costs of providing the service for which such fees are charged (and the Commission publishes the standards employed in adjudging reasonableness) and (ii) do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of this title, taking into consideration the competitive effects of permitting such schedule or fixed rates weighed against the competitive effects of other lawful actions which the Commission is authorized to take under this title.

(2) Notwithstanding the provisions of section 19(c) of this title, the Commission, by rule, may abrogate any exchange rule which imposes a schedule or fixes rates of commissions, allowances, discounts, or other fees, if the Commission determines that such schedule or fixed rates are no longer reasonable, in the public interest, or necessary to accomplish the purposes of this title.

(3)(A) Before approving or disapproving any proposed rule change submitted by a national securities exchange which would impose a schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by its members for effecting transactions on such exchange, the Commission shall afford interested persons (i) an opportunity for oral presentation of data, views, and arguments and (ii) with respect to any such rule concerning transactions effected after November 1, 1976, if the Commission determines there are disputed issues of material fact, to present such rebuttal submissions and to conduct (or have conducted under subparagraph (B) of this paragraph) such cross-examination as the Commission deter-

mines to be appropriate and required for full disclosure and proper resolution of such disputed issues of material fact.

(B) The Commission shall prescribe rules and make rulings concerning any proceeding in accordance with subparagraph (A) of this paragraph designed to avoid unnecessary costs or delay. Such rules or rulings may (i) impose reasonable time limits on each interested person's oral presentations, and (ii) require any cross-examination to which a person may be entitled under subparagraph (A) of this paragraph to be conducted by the Commission on behalf of that person in such manner as the Commission determines to be appropriate and required for full disclosure and proper resolution of disputed issues of material fact.

(C)(i) If any class of persons, the members of which are entitled to conduct (or have conducted) cross-examination under subparagraphs (A) and (B) of this paragraph and which have, in the view of the Commission, the same or similar interests in the proceeding, cannot agree upon a single representative of such interests for purposes of cross-examination, the Commission may make rules and rulings specifying the manner in which such interests shall be represented and such cross-examination conducted.

(ii) No member of any class of persons with respect to which the Commission has specified the manner in which its interests shall be represented pursuant to clause (i) of this subparagraph shall be denied, pursuant to such clause (i), the opportunity to conduct (or have conducted) cross-examination as to issues affecting his particular interests if he satisfies the Commission that he has made a reasonable and good faith effort to reach agreement upon group representation and there are substantial and relevant issues which would not be presented adequately by group representation.

(D) A transcript shall be kept of any oral presentation and cross-examination.

(E) In addition to the bases specified in subsection 25(a), a reviewing Court may set aside an order of the Commission under section 19(b) approving an exchange rule imposing a schedule or fixing rates of commissions, allowances, discounts, or other fees, if the Court finds—

(1) a Commission determination under subparagraph (A) of this paragraph that an interested person is not entitled to conduct cross-examination or make rebuttal submissions, or

(2) a Commission rule or ruling under subparagraph (B) of this paragraph limiting the petitioner's cross-examination or rebuttal submissions,

has precluded full disclosure and proper resolution of disputed issues of material fact which were necessary for fair determination by the Commission.

(f) The Commission, by rule or order, as it deems necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to assure equal regulation, may require—

(1) any person not a member or a designated representative of a member of a national securities exchange effecting transactions on such exchange without the services of another person acting as a broker, or

(2) any broker or dealer not a member of a national securities exchange effecting transactions on such exchange on a regular basis, to comply with such rules of such exchange as the Commission may specify.

(g) NOTICE REGISTRATION OF SECURITY FUTURES PRODUCT EXCHANGES.—

(1) REGISTRATION REQUIRED.—An exchange that lists or trades security futures products may register as a national securities exchange solely for the purposes of trading security futures products if—

(A) the exchange is a board of trade, as that term is defined by the Commodity Exchange Act (7 U.S.C. 1a(2)), that has been designated a contract market by the Commodity Futures Trading Commission and such designation is not suspended by order of the Commodity Futures Trading Commission; and

(B) such exchange does not serve as a market place for transactions in securities other than—

(i) security futures products; or

(ii) futures on exempted securities or groups or indexes of securities or options thereon that have been authorized under section 2(a)(1)(C) of the Commodity Exchange Act.

(2) REGISTRATION BY NOTICE FILING.—

(A) FORM AND CONTENT.—An exchange required to register only because such exchange lists or trades security futures products may register for purposes of this section by filing with the Commission a written notice in such form as the Commission, by rule, may prescribe containing the rules of the exchange and such other information and documents concerning such exchange, comparable to the information and documents required for national securities exchanges under section 6(a), as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. If such exchange has filed documents with the Commodity Futures Trading Commission, to the extent that such documents contain information satisfying the Commission's informational requirements, copies of such documents may be filed with the Commission in lieu of the required written notice.

(B) IMMEDIATE EFFECTIVENESS.—Such registration shall be effective contemporaneously with the submission of notice, in written or electronic form, to the Commission, except that such registration shall not be effective if such registration would be subject to suspension or revocation.

(C) TERMINATION.—Such registration shall be terminated immediately if any of the conditions for registration set forth in this subsection are no longer satisfied.

(3) PUBLIC AVAILABILITY.—The Commission shall promptly publish in the Federal Register an acknowledgment of receipt of all notices the Commission receives under this subsection and shall make all such notices available to the public.

(4) EXEMPTION OF EXCHANGES FROM SPECIFIED PROVISIONS.—

(A) TRANSACTION EXEMPTIONS.—An exchange that is registered under paragraph (1) of this subsection shall be exempt from, and shall not be required to enforce compliance by its members with, and its members shall not, solely with respect to those transactions effected on such exchange in security futures products, be required to comply with, the following provisions of this title and the rules thereunder:

- (i) Subsections (b)(2), (b)(3), (b)(4), (b)(7), (b)(9), (c), (d), and (e) of this section.
- (ii) Section 8.

- (iv) Subsections (d), (f), and (k) of section 17.
- (v) Subsections (a), (f), and (h) of section 19.

(B) RULE CHANGE EXEMPTIONS.—An exchange that registered under paragraph (1) of this subsection shall also be exempt from submitting proposed rule changes pursuant to section 19(b) of this title, except that—

(i) such exchange shall file proposed rule changes related to higher margin levels, fraud or manipulation, recordkeeping, reporting, listing standards, or decimal pricing for security futures products, sales practices for security futures products for persons who effect transactions in security futures products, or rules effectuating such exchange's obligation to enforce the securities laws pursuant to section 19(b)(7);

(ii) such exchange shall file pursuant to sections 19(b)(1) and 19(b)(2) proposed rule changes related to margin, except for changes resulting in higher margin levels; and

(iii) such exchange shall file pursuant to section 19(b)(1) proposed rule changes that have been abrogated by the Commission pursuant to section 19(b)(7)(C).

(5) TRADING IN SECURITY FUTURES PRODUCTS.—

(A) IN GENERAL.—Subject to subparagraph (B), it shall be unlawful for any person to execute or trade a security futures product until the later of—

(i) 1 year after the date of the enactment of the Commodity Futures Modernization Act of 2000; or

(B) PRINCIPAL-TO-PRINCIPAL TRANSACTIONS.—Notwithstanding subparagraph (A), a person may execute or trade a security futures product transaction if—

(i) the transaction is entered into—

(I) on a principal-to-principal basis between parties trading for their own accounts or as described in section 1a(18)(B)(ii) of the Commodity Exchange Act; and

(II) only between eligible contract participants (as defined in subparagraphs (A), (B)(ii), and (C) of such section 1a(18)) at the time at which the

persons enter into the agreement, contract, or transaction; and

(ii) the transaction is entered into on or after the later of—

(I) 8 months after the date of the enactment of the Commodity Futures Modernization Act of 2000; or

(II) such date that a futures association registered under section 17 of the Commodity Exchange Act has met the requirements set forth in section 15A(k)(2) of this title.

(h) TRADING IN SECURITY FUTURES PRODUCTS.—

(1) TRADING ON EXCHANGE OR ASSOCIATION REQUIRED.—It shall be unlawful for any person to effect transactions in security futures products that are not listed on a national securities exchange or a national securities association registered pursuant to section 15A(a).

(2) LISTING STANDARDS REQUIRED.—Except as otherwise provided in paragraph (7), a national securities exchange or a national securities association registered pursuant to section 15A(a) may trade only security futures products that (A) conform with listing standards that such exchange or association files with the Commission under section 19(b) and (B) meet the criteria specified in section 2(a)(1)(D)(i) of the Commodity Exchange Act.

(3) REQUIREMENTS FOR LISTING STANDARDS AND CONDITIONS FOR TRADING.—Such listing standards shall—

(B) require that if the security futures product is not cash settled, the market on which the security futures product is traded have arrangements in place with a registered clearing agency for the payment and delivery of the securities underlying the security futures product;

(F) require that only a broker or dealer subject to suitability rules comparable to those of a national securities

association registered pursuant to section 15A(a) effect transactions in the security futures product;

(G) require that the security futures product be subject to the prohibition against dual trading in section 4j of the Commodity Exchange Act (7 U.S.C. 6j) and the rules and regulations thereunder or the provisions of section 11(a) of this title and the rules and regulations thereunder, except to the extent otherwise permitted under this title and the rules and regulations thereunder;

(I) require that procedures be in place for coordinated surveillance among the market on which the security futures product is traded, any market on which any security underlying the security futures product is traded, and other markets on which any related security is traded to detect manipulation and insider trading;

(J) require that the market on which the security futures product is traded has in place audit trails necessary or appropriate to facilitate the coordinated surveillance required in subparagraph (I);

(K) require that the market on which the security futures product is traded has in place procedures to coordinate trading halts between such market and any market on which any security underlying the security futures product is traded and other markets on which any related security is traded; and

(L) require that the margin requirements for a security futures product comply with the regulations prescribed pursuant to section 7(c)(2)(B), except that nothing in this subparagraph shall be construed to prevent a national securities exchange or national securities association from requiring higher margin levels for a security futures product when it deems such action to be necessary or appropriate.

(4) AUTHORITY TO MODIFY CERTAIN LISTING STANDARD REQUIREMENTS.—

(A) AUTHORITY TO MODIFY.—The Commission and the Commodity Futures Trading Commission, by rule, regulation, or order, may jointly modify the listing standard requirements specified in subparagraph (A) or (D) of paragraph (3) to the extent such modification fosters the development of fair and orderly markets in security futures products, is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(B) AUTHORITY TO GRANT EXEMPTIONS.—The Commission and the Commodity Futures Trading Commission, by order, may jointly exempt any person from compliance with the listing standard requirement specified in subparagraph (E) of paragraph (3) to the extent such exemption fosters the development of fair and orderly markets in

security futures products, is necessary or appropriate in the public interest, and is consistent with the protection of investors.

(5) REQUIREMENTS FOR OTHER PERSONS TRADING SECURITY FUTURE PRODUCTS.—It shall be unlawful for any person (other than a national securities exchange or a national securities association registered pursuant to section 15A(a)) to constitute, maintain, or provide a marketplace or facilities for bringing together purchasers and sellers of security future products or to otherwise perform with respect to security future products the functions commonly performed by a stock exchange as that term is generally understood, unless a national securities association registered pursuant to section 15A(a) or a national securities exchange of which such person is a member—

(A) has in place procedures for coordinated surveillance among such person, the market trading the securities underlying the security future products, and other markets trading related securities to detect manipulation and insider trading;

(B) has rules to require audit trails necessary or appropriate to facilitate the coordinated surveillance required in subparagraph (A); and

(C) has rules to require such person to coordinate trading halts with markets trading the securities underlying the security future products and other markets trading related securities.

(6) DEFERRAL OF OPTIONS ON SECURITY FUTURES TRADING.—No person shall offer to enter into, enter into, or confirm the execution of any put, call, straddle, option, or privilege on a security future, except that, after 3 years after the date of the enactment of this subsection, the Commission and the Commodity Futures Trading Commission may by order jointly determine to permit trading of puts, calls, straddles, options, or privileges on any security future authorized to be traded under the provisions of this Act and the Commodity Exchange Act.

(7) DEFERRAL OF LINKED AND COORDINATED CLEARING.—

(A) Notwithstanding paragraph (2), until the compliance date, a national securities exchange or national securities association registered pursuant to section 15A(a) may trade a security futures product that does not—

(i) conform with any listing standard promulgated to meet the requirement specified in subparagraph (E) of paragraph (3); or

(ii) meet the criterion specified in section 2(a)(1)(D)(i)(IV) of the Commodity Exchange Act.

(B) The Commission and the Commodity Futures Trading Commission shall jointly publish in the Federal Register a notice of the compliance date no later than 165 days before the compliance date.

(C) For purposes of this paragraph, the term “compliance date” means the later of—

(i) 180 days after the end of the first full calendar month period in which the average aggregate comparable share volume for all security futures products based on single equity securities traded on all national

securities exchanges, any national securities associations registered pursuant to section 15A(a), and all other persons equals or exceeds 10 percent of the average aggregate comparable share volume of options on single equity securities traded on all national securities exchanges and any national securities associations registered pursuant to section 15A(a); or

(i) Consistent with this title, each national securities exchange registered pursuant to subsection (a) of this section shall issue such rules as are necessary to avoid duplicative or conflicting rules applicable to any broker or dealer registered with the Commission pursuant to section 15(b) (except paragraph (11) thereof), that is also registered with the Commodity Futures Trading Commission pursuant to section 4f(a) of the Commodity Exchange Act (except paragraph (2) thereof), with respect to the application of—

(1) rules of such national securities exchange of the type specified in section 15(c)(3)(B) involving security futures products; and

(k)(1) To the extent necessary or appropriate in the public interest, to promote fair competition, and consistent with the promotion of market efficiency, innovation, and expansion of investment opportunities, the protection of investors, and the maintenance of fair and orderly markets, the Commission and the Commodity Futures Trading Commission shall jointly issue such rules, regulations, or orders as are necessary and appropriate to permit the offer and sale of a security futures product traded on or subject to the rules of a foreign board of trade to United States persons.

(2) The rules, regulations, or orders adopted under paragraph (1) shall take into account, as appropriate, the nature and size of the markets that the securities underlying the security futures product reflect.

(l) SECURITY-BASED SWAPS.—It shall be unlawful for any person to effect a transaction in a security-based swap with or for a person that is not an eligible contract participant, unless such transaction is effected on a national securities exchange registered pursuant to subsection (b).

(m) VENTURE EXCHANGE.—

(1) REGISTRATION.—

(A) IN GENERAL.—A national securities exchange may elect to be treated (or for a listing tier of such exchange to be treated) as a venture exchange by notifying the Commission of such election, either at the time the exchange applies

to be registered as a national securities exchange or after registering as a national securities exchange.

(B) *DETERMINATION TIME PERIOD.*—With respect to a securities exchange electing to be treated (or for a listing tier of such exchange to be treated) as a venture exchange—

(i) at the time the exchange applies to be registered as a national securities exchange, such application and election shall be deemed to have been approved by the Commission unless the Commission denies such application before the end of the 6-month period beginning on the date the Commission received such application; and

(ii) after registering as a national securities exchange, such election shall be deemed to have been approved by the Commission unless the Commission denies such approval before the end of the 6-month period beginning on the date the Commission received notification of such election.

(2) *POWERS AND RESTRICTIONS.*—A venture exchange—

(A) may only constitute, maintain, or provide a market place or facilities for bringing together purchasers and sellers of venture securities;

(B) may determine the increment to be used for quoting and trading venture securities on the exchange;

(C) shall disseminate last sale and quotation information on terms that are fair and reasonable and not unreasonably discriminatory;

(D) may choose to carry out periodic auctions for the sale of a venture security instead of providing continuous trading of the venture security; and

(E) may not extend unlisted trading privileges to any venture security.

(3) *EXEMPTIONS FROM CERTAIN NATIONAL SECURITY EXCHANGE REGULATIONS.*—A venture exchange shall not be required to—

(A) comply with any of sections 242.600 through 242.612 of title 17, Code of Federal Regulations;

(B) comply with any of sections 242.300 through 242.303 of title 17, Code of Federal Regulations;

or

(D) use decimal pricing.

(4) *TREATMENT OF CERTAIN EXEMPTED SECURITIES.*—A security that is exempt from registration pursuant to section 3(b) of the Securities Act of 1933 shall be exempt from section 12(a) of this title with respect to the trading of such security on a venture exchange, if the issuer of such security is in compliance with all disclosure obligations of such section 3(b) and the regulations issued under such section.

(5) *DEFINITIONS.*—For purposes of this subsection:

(A) *EARLY-STAGE, GROWTH COMPANY.*—

(i) *IN GENERAL.*—The term “early-stage, growth company” means an issuer—

(ii) TREATMENT WHEN MARKET CAPITALIZATION EXCEEDS THRESHOLD.—

(I) IN GENERAL.—In the case of an issuer that is an early-stage, growth company the securities of which are traded on a venture exchange, such issuer shall not cease to be an early-stage, growth company by reason of the market capitalization of such issuer exceeding the threshold specified in clause (i)(II) until the end of the period of 24 consecutive months during which the market capitalization of such issuer exceeds \$2,000,000,000 (as such amount is indexed for inflation every 5 years by the Commission to reflect the change in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics, setting the threshold to the nearest \$1,000,000).

(II) EXEMPTIONS.—If an issuer would cease to be an early-stage, growth company under subclause (I), the venture exchange may, at the request of the issuer, exempt the issuer from the market capitalization requirements of this subparagraph for the 1-year period that begins on the day after the end of the 24-month period described in such subclause. The venture exchange may, at the request of the issuer, extend the exemption for 1 additional year.

MINORITY VIEWS

H.R. 4638 would prematurely and proscriptively create a new national trading venue known as a venture exchange for the trading of securities of emerging growth companies and early stage growth companies. While creating such venture exchanges by statute may be warranted, we have yet to see sufficient, reliable data showing that is the case.

Rather, Republicans hastily pushed H.R. 4638 through the Committee, a bill that fails to balance the needs of small companies and their investors in the secondary markets. Specifically, the bill removes state regulatory oversight over these small companies, which are prone to fraud and failure; threatens to create monopolistic trading rights for a venture exchange, risking market integrity; and creates additional costs for investors who would have to trade with artificially widened spreads. Such sweeping changes to our equity markets should not be done without robust study and analysis.

Indeed, our state securities regulators, the Security Traders Association, the New York Stock Exchange, and the Chamber of Commerce all agree that additional study of the existing venture markets here and abroad is warranted. For that reason, Democrats offered an amendment, which was rejected on a party-line basis, to require the SEC to study and report to Congress on the past efforts to create venture exchanges, the effectiveness of existing venture markets, and whether venture exchanges should be provided with additional regulatory relief. The results of this study will help us understand what works for small companies and their investors and will allow Congress to move forward on a bipartisan basis to provide for a venture venue, if necessary.

Democrats agree that H.R. 4638 is the wrong approach and unanimously opposed it in Committee. Consumer advocates like Public Citizen and Americans for Financial Reform, the North American Securities Administrators Association, representing the state securities regulators, and even members of industry from OTC Markets Group, also oppose H.R. 4638.

Because H.R. 4638 would completely overhaul our U.S. equity market structure without any supporting data, we oppose.
